KANSAS CITY COMMUNITY

# IMPACT REPORT

THE **HEART** BEHIND OUR BRAND

## CONTENT

### **03 A LETTER FROM MIKE**

DM Law invests in leadership, education, and essential support for vulnerable youth

### **04 DM LAW FOUNDATION**

The DiPasquale Moore Law Firm Foundation has provided vital equipment grants to more than 23 local high school football teams in Kansas City

### **06 BOARD APPOINTMENTS**

We believe board service is essential to building a stronger, more resilient community.

### **08 VOLUNTEER**

Volunteering represents a deep, lived commitment to strengthening the community.

### **10 COMMUNITY ENGAGEMENT**

Creating authentic, lasting connections with the communities we serve while meeting real needs in ways that go far beyond traditional sponsorships.

## A LETTER FROM MIKE

At DM Injury Law, we are honored to call Kansas City our home and to be part of a community that embodies generosity, resilience, and care. This past year, our team dedicated more than 1,300 hours to community service—an investment that reflects not just our values but our unwavering belief in the people and potential of the cities we serve.

Our commitment to community work is rooted in a simple truth: strong communities create strong futures. Kansas City is vibrant and full of promise, yet many of our neighbors—especially children—continue to face barriers related to food insecurity, access to quality education, and safe, stable environments. Our mission is to help remove these barriers by supporting youth, strengthening families, and investing in the next generation of leaders.

# DM LAW

## FOUNDATION

The DiPasquale Moore Law Firm Foundation's mission is to **inspire growth and development** in young athletes through teamwork, perseverance, commitment, and sacrifice.

### OUR IMPACT

- Football Equipment for 23 Local High Schools
- More than \$100,000 in grants to local high school football teams and sports related non-profits
- 140+ High School Football Team Meals
- FREE Citywide Basketball Tournament
- Jerseys for Girls Play Flag Football
- More than 400 athletes and coaches attended Media Day at Arrowhead Stadium

## STRONG COMMUNITIES

The founder of the DiPasquale Moore Law Firm Foundation, Mike DiPasquale, believes sports give young people valuable life lessons.

## STRONG FUTURES

**"We're excited to inspire growth and development in all young athletes. Playing football taught me about teamwork, perseverance, commitment, and sacrifice."**

*- Michael DiPasquale*

## VIBRANT & FULL OF PROMISE

Our foundation believes this investment in local athletics will help lead students toward improvement and success. By strengthening athletic programs, we aim to create meaningful opportunities that build confidence, character, and lifelong skills.

# BOARD APPOINTMENTS

At DM Injury Law, we believe board service is essential to building a stronger, more resilient community because it empowers local nonprofits with the leadership, expertise, and strategic support they need to thrive. When our team members serve on boards, they help strengthen organizational decision-making, enhance accountability, and expand access to critical resources and partnerships. Their involvement supports nonprofits in navigating complex challenges, advancing their missions, and increasing their capacity to serve families, youth, and vulnerable populations. By contributing our time, skills, and insights, we help create a solid backbone for the community—one where organizations are equipped to make a greater impact and where every resident has the opportunity to feel supported, uplifted, and connected.

- **5% of our staff members** serve on the boards of **Non-Profit Organizations** in Kansas City.

THIS YEAR OUR STAFF  
VOLUNTEERED MORE THAN  
**1300**  
HOURS OF SERVICE!

## VOLUNTEERING ❤️

From our HR staff to law clerks to marketing, we all value the importance of giving back to Kansas City! Volunteering at DM Law represents a deep, lived commitment—to strengthening the communities we serve. This level of engagement allows our team to meaningfully support local nonprofits, schools, and families by showing up consistently, building trust, and contributing hands-on help where it's needed most. Our commitment to community care is a core value that guides our actions and impacts lives.

## CAREPORTAL

NON-PROFIT SPOTLIGHT

*"Each year, government child protection agencies are alerted to more than 7.7 million children potentially experiencing maltreatment. These reports have resulted in over 328,000 children removed from their homes and placed in the country's overburdened foster care system..."*

- Careportal.org

This year, DM Injury Law was honored to receive **CarePortal's 2025 Philanthropic Award**. Since 2021, our partnership with CarePortal has enabled our firm to positively impact the lives of 521 children, generating an economic impact of \$130,610 for families in need. Each week, our team has answered at least one CarePortal request to support a family—an experience that continues to humble us and reinforces our deep gratitude for family, community, and the opportunity to serve.

# BIG BROTHERS & BIG SISTERS OF GREATER KANSAS CITY

NON-PROFIT SPOTLIGHT

*"Our purpose is to clear the path to a child's biggest possible future."*

- BBBSKC.org

BBBSKC offers children who want and need a mentor a one-to-one, long-term friendship with a caring adult. Bigs serve as friends, mentors and role models, helping children and teens gain greater self-confidence.

Annually, Big Brothers and Big Sisters of Greater Kansas City selects a class of charitable, passionate, and hard-working professionals to be honored as KC's Most Wanted. These individuals are movers and shakers who are making a big difference in their profession and in their community. This year, Stephanie Moore, from DM Injury Law, was selected to serve as a Most Wanted Honoree. This year's class raised more than \$1.6 Million Dollars to benefit children in need.

# COMMUNITY ENGAGEMENT

It's important for DM Injury Law to offer meaningful events because these initiatives allow us to build authentic, lasting connections with the communities we serve while meeting real needs in ways that go far beyond traditional sponsorships. Our tailored events give us the opportunity to uplift those who often go unrecognized, provide accessible opportunities for youth development, and strengthen the nonprofits and schools working on the front lines. Whether we're supporting Harvesters through community-driven events or helping students discover new possibilities for their futures, our goal is to create moments of encouragement, pride, and empowerment. These efforts reflect our belief that true community impact is built through consistent care, intentional partnerships, and meaningful experiences that strengthen the fabric of our city.

## TEACHER OF THE WEEK

Teachers are vital to the Kansas City community because they shape the next generation, providing students with knowledge, stability, and encouragement. Their dedication helps unlock students' potential, strengthens families, and supports the long-term growth of our city. Through their daily work, teachers build the foundation for a stronger, more resilient Kansas City where every child has a chance to thrive.

## CAREER EXPLORATION DAY

Career Exploration Day is an opportunity for Kansas City students to connect classroom learning with real-world possibilities. By engaging directly with local professionals, students gain exposure to diverse careers, build confidence, and discover pathways they may not have known were available to them. This experience helps broaden their horizons, strengthens their readiness for the future, and reinforces the message that their goals are achievable.

## DEBATE KC ESSAY CONTEST

The DEBATE-KC essay contest is powerful because it gives students the chance to reflect on the people who have shaped their lives and to express gratitude in their own voices. By inviting students to share who their hero is, we encourage meaningful self-reflection, emotional expression, and storytelling—skills that strengthen both their confidence and their communication abilities.

## CITYWIDE BASKETBALL CHAMPIONSHIP

The Citywide Basketball Championship reinforces the power of community, teamwork, and opportunity by bringing students, families, and local partners together for a positive, inclusive event. It showcases the value of accessible athletics—where participation is free and open to all—so that every student has the chance to compete, grow, and feel celebrated.

## THE **HEART** BEHIND OUR BRAND

Our connection to the community reflects the same care and commitment we strive to bring to every client we serve. We believe that when people experience the heart behind our brand—our commitment to compassion, integrity, and service—there's no limit to what we can accomplish together.
